

Meijer's Community Rewards Program

Under the Meijer Community Rewards Program, Meijer donates funds to the organization you choose. This allows you to support the Sierra Club at no additional cost to you – without having to pre-purchase gift cards or paper vouchers.

How the program works

1. Obtain a Meijer Community Rewards card and specify that 100% of your donations should go to organization 883330 – that's the Sierra Club! There are three different ways you can get a card:

- Fill out an online form at www.meijer.com/rewards
- Pick up an application form at any Meijer store, complete it, and mail it to Meijer.
- If you already have a Meijer credit card, call 1-800-962-7011 and tell them you'd like to enroll in the Meijer Community Rewards program.

2. Show your Meijer Community Rewards card at the beginning of your checkout each time you shop at Meijer, so the card can be scanned.

3. Then simply pay for your purchases!

Here are a few simple ways to maximize your contribution to Shopping for the Earth:

1. **Use it every time:** Use your Meijer Community Rewards card on every Meijer shopping trip.
2. **Get everyone in your family a card:** Make sure all your family members who shop at Meijer have their own card to use and designate 100% of their rewards to the Sierra Club (code 883330).
3. **Get others to join:** Encourage friends and family to enroll in the program and designate their rewards to the Sierra Club (code 883330).
4. **Use a Meijer credit card:** Meijer credit card purchases receive a higher giving share. If you obtain a Meijer credit card and use it for all you Meijer purchases, you'll generate more money for the Sierra Club with each purchase you make.
5. **If you don't have a Meijer credit card, consider paying cash.** The program benefits the Sierra Club for purchases via Meijer credit card or via cash, not for other payment options.
