

Liveries and other available watercraft

Though we anticipate that many Grand River Expedition participants will have their own canoes, kayaks or other watercraft, we provide this list of liveries to help you find a boat if you do not have one. Note that this list is by no means exhaustive and we do not have prior discount arrangements with any of them! When you call them, be sure to explain the nature of the trip, how many days you plan to participate, and for how long you would want to rent the canoe or kayak from them. You'll also need to work out how to acquire and return the boat to them.

A private vendor offers fee-based car-spotting services for those needing them. For information, you may call Trailspotters of Michigan at 269-275-3628 or visit <http://trailspotters.com>.
